

***Place this template (line side down) on a white piece of paper so that the lines show through on the other side.**

***Write your good copy on the blank side of this template.**

***Use a sharp new HB pencil (PRESS HARD) and clean eraser.**

***Stay inside the border.**

***Write your name on the bottom right hand side of the page staying inside the border.**

***Remember, your work is being scanned so everything on the page will appear in the book.**

***Make sure your writing and drawings are dark enough. If your work is too faint (light) it will not show up in the book.**

***Only do outlines of drawing using a dark pencil.
Do not colour in.**
