

***Place this template (line side down) on a white piece of paper so that the lines show through on the other side.**

***Write your good copy on the blank side of this template.**

***Use a sharp new HB pencil (PRESS HARD) or black pen. Use a clean eraser or white out.**

***Remember that your work is being scanned, so everything on this page will show up in the book.**

***Stay inside the border.**

***Write your name on the bottom right hand side of the page staying inside the border.**

***Only do outlines of drawings using a dark pencil or pen.
Do not colour in.**

***If your work is too faint (light) it will not show up in the book.**
