

***Place this template (line side down) on a white piece of paper so that lines show through on the other side.**

***Write your good copy on the blank side of this template.**

***Use a sharp new HB pencil (an PRESS HARD) or a black pen.**

***Use a clean eraser or white out.**

***Remember that your work is being scanned in, so everything on this page will appear in the book.**

***Stay inside the border.**

***Write your name on the bottom right side of the page inside the border.**

***Only do outlines of drawings using dark pencil or pen. Do not colour in.**

***If your work is too faint (light) it will not show up in the book.**
