*Place this template (line side down) on a white piece of paper so that

lines show through on the other side.

*Write your good copy on the blank side of this template.

*Use a sharp new HB pencil (an PRESS HARD) or a black pen.

*Use a clean eraser or white out.

*Remember that your work is being scanned in, so everything on this

page will appear in the book.

*Stay inside the border.

*Write your name on the bottom right side of the page inside the border.

*Only do outlines of drawings using dark pencil or pen. Do not colour in.

*If your work is too faint (light) it will not show up in the book.
